

Smile Train is the world's largest cleft charity. Their sustainable model has sponsored more than 1.5 million smiles by offering training and financial support to local medical professionals so they can provide life-changing surgery and other essential services at no cost to families.

In the latest spot by Smile Train, you will see the power of a smile. They spread joy, laughter and hope but not everyone gets a fair chance at a smile. Every three minutes a baby is born with a cleft making it difficult to talk, hear, eat and even breathe.

Join Smile Train today in helping to improve the lives of children around the world by airing "The Power of a Smile". Help us change the world one smile at a time.
