

KIDS ACROSS AMERICA  
ARE GOING TO SCHOOL  
**HUNGRY.**

There is no possible excuse for children to go hungry in this country. Yet it happens every day, in every community. No Kid Hungry is working to change this fact.

In **The Difference**, a new PSA from No Kid Hungry, you will learn how hunger affects children. You'll see how something as simple as healthy foods gives them the ability to focus, do better in school, and have a healthier life which leads to a brighter future.

Air **The Difference** today. When you do, you are helping No Kid Hungry to connect vulnerable kids in your community with the nutritious food they need to grow and thrive. It may just be **The Difference** that will end childhood hunger.
