

CHAMPION RESPECT. **END ABUSE.**

Everyone deserves to be safe from abuse and misconduct. The U.S. Center for SafeSport encourages us to “**Champion Respect**” for all sport participants, on and off the field.

In the radio PSA “**Champion Respect**,” athletes, parents, coaches and others are being empowered to respond to harmful behavior and put an end to abuse in sports.

This school year, help “**Champion Respect**” in your community by airing this PSA from the U.S. Center for SafeSport. With your support, we can create positive sport environments for all.
