No young person should ever have to worry about having a safe place to sleep at night, or a warm meal to eat, or whether anyone cares about them. But the reality is that one in ten young adults will experience a form of homelessness this year. Covenant House is **“Changing Lives”** by providing 24/7 support for youth facing homelessness.

In the PSA, **“Changing Lives,”** celebrities and Covenant House alum share how Covenant House has been there for over 50 years, **“Changing Lives”** and giving youth overcoming homelessness the support and tools they deserve and need to thrive.
