

Globally, 5 billion people lack access to safe surgeries – surgeries that could save their lives or help them overcome painful, disfiguring conditions. Mercy Ships is making a difference by providing the healing touch that is transforming lives in the developing world.

Mercy Ships PSA series, **Made By Mercy**, shows the incredible impact the organization is having on individual lives through the power of lifesaving healthcare provided by their dedicated volunteers on state-of-the-art hospital ships.

When you air **Made by Mercy** you play an indispensable role in propelling Mercy Ships forward, ensuring they can deliver life-saving healthcare to those who desperately need it.
