

Shriners
Children's™

Every child has a superpower waiting to be discovered. At Shriners Children's, those moments of discovery happen every day when a child takes their first steps, plays their favorite instrument, or picks up a basketball for the very first time. At Shriners Children's they unlock an inner strength, transforming them into **Superheroes**.

In **Superheroes** you will see how Shriners patients and their families share the joy of milestones reached and lives changed. With dynamic visuals and heartfelt testimonials, viewers will see the courage, determination, and resilience that define these children and the extraordinary impact of how the care they receive goes beyond medicine.

By airing **Superheroes**, you can share a powerful message of hope and healing with your viewers. Help connect more families to life-changing care and celebrate the unstoppable spirit of children everywhere.
