

COMMEMORATIVE
AIR FORCE®

Dear PSA Director,

Help the Commemorative Air Force preserve our history and educate generations of Americans by sharing a new public service announcement series, ***Sounds of History***, with your audiences.

Sounds of History showcases the incredible airplanes of WWII and the impact their history has on America's youth. The Commemorative Air Force preserves and flies the historic aircraft in order to tell the stories of our nation's Greatest Generation. By doing so, we are investing in our nation's next generation of leaders. The PSA features an interview with Karning Thomasian, a 94-year-old veteran who served in World War II.

You can help educate all Americans by airing the ***Sounds of History*** PSAs as soon, and as often, as possible. The PSA is available in :15, :30 and :60-second formats at psadirect.com/CAF.

In addition to operating aircrafts, the Commemorative Air Force also focuses on educating America's youth on the history of the brave men and women who served our country - using the stories of WWII to inspire today's youth to reach for and achieve their own goals. For more information about the Commemorative Air Force, visit commemorativeairforce.org.

Learn more about us through our leadership and annual report:

Thank you in advance for helping the Commemorative Air Force continue to educate, inspire and honor through flight. If you have any questions, please contact Taylor McMahon at caf@psadirect.com or 703-348-6982.

Sincerely,
RozeLyn Beck
Chief Relationship Officer
