

Heroes of Mercy

Help Mercy Ships tell the powerful story of the FREE, life-changing work their volunteers provide to the world's forgotten poor by sharing our new public service announcement, Heroes of Mercy, with your audiences.

Mercy Ships is the largest floating civilian hospital in the world, staffed with volunteer medical staff and crew who pay their own way to serve aboard the ship. This new PSA, available for both Spanish and English audiences, shows the dedication and inspiration these incredible volunteers – the Heroes of Mercy – bring to communities around the world providing free surgeries and life-changing care. Hear about their personal experiences and the joy they receive through volunteering.

Mercy ships has worked in more than 70 countries, providing services valued at more than \$1.53 billion and treating more than 2.71 million direct beneficiaries. Professionals, including surgeons, dentists, nurses, healthcare trainers, teachers, cooks, seamen, engineers, and agriculturalists, donate their time and skills to the effort.
