

Dear PSA Director,

As the widespread effects of the global health crisis take a toll on local communities, The American Legion is continuing its 100-year commitment to serving our nation in extraordinary ways. We are launching a new campaign, **Veterans Strengthening America**, to highlight the incredible impact Legionnaires are making across the nation through a series of public service announcements.

The first PSA in the series, **Making Communities Stronger**, calls attention to how The American Legion is strengthening communities through food deliveries, blood drives, buddy checks, and providing critical supplies to vulnerable populations. To learn how you can help your community, visit [legion.org](http://legion.org).

Show your community the support they need during this pandemic by airing this inspiring and impactful **Making Communities Stronger** PSA as soon, and as often, as possible. This PSA is available in 10, 15, 30 and 60-second formats at [psadirect.com/legion](http://psadirect.com/legion).

Thank you in advance for supporting The American Legion by airing **Making Communities Stronger**. We look forward to your participation.

Kind regards,

Dean Kessel  
Chief Marketing Officer, The American Legion

For questions regarding PSA formats and media distribution, please contact Taylor McMahon at [legion@psadirect.com](mailto:legion@psadirect.com).
