

Together we can end abuse in sport.

Learn **The Questions You Should Be Asking** your kids.

It can be challenging for parents to talk with their children about emotional, physical, and sexual abuse and misconduct in sport. The U.S. Center for SafeSport is a resource that was created to help people who work with athletes better identify, prevent, and respond to these important issues. Taking one of the online courses offered by the Center can educate parents and coaches about the questions they should be asking but often don't.
