Even when the whole world changed, the things that mattered most to us stayed the same. We need to end poverty for good.

Children around the world are unique, full of dreams and have the potential to achieve almost anything despite the struggles they face from poverty.

Kids Speak, a new public service announcement from Children International, highlights the organization's mission to end poverty and ensure children around the world have access to health care, education, life skills – and more.

Air this PSA with your audiences to help children overcome poverty and achieve their dreams.
