**Jimmie Johnson**

Grandson of WWII and Korean War Veterans

## MORE THAN WHAT YOU'VE HEARD

The American Legion wants all veterans to know they are not alone. The American Legion was formed over 100 years ago to be a place for veterans to come together to support each other. In communities across the country, The American Legion's doors are open and ready to welcome veterans.

**"More Than What You've Heard"** illustrates the ways veterans can continue to serve their country through The American Legion. Serving each other through peer-to-peer support and advocating for veteran's issues on Capitol Hill, The American Legion is the place for veterans to come together.

Narrated by racing legend Jimmie Johnson, this PSA highlights the diversity and strength of the veteran community and challenges us all to learn more about The American Legion.
