

Ben Affleck

Paralyzed Veterans of
America Supporter

Ben Affleck is an award-winning film director, producer, actor and most importantly a proud supporter of Paralyzed Veterans of America. Every day PVA is helping paralyzed Veterans get specialized medical care and treatments, the benefits they've earned, the jobs they want, and the accessible vehicles and homes they need.

In this new PSA you will see how PVA helps Veterans like Al Kovach, a U.S. Navy Veteran who broke his neck when his parachute didn't open, leaving him paralyzed. PVA was by his side from that moment on providing support to both him and his family. You will feel his heartfelt appreciation for the organization when he expresses the support and comfort received by PVA.

Our Veterans fought for us. Join Ben Affleck and PVA in fighting for them. When you air this PSA, you are helping Veterans, like Al, in your community find access to the much-needed services and programs that PVA provides. Show your support today.
