

Every war is a

war on children.

A haunting reminder that every is a war on children. Right now, kids around the world are in crisis especially in war-torn areas like Ukraine and Afghanistan. Help these children see a brighter future by supporting Save The Children.

Save the Children (STC) is the first global movement for children, boldly declaring that children have rights. Today, STC champions the rights of the world's 2.3 billion children. Working in over 100 countries, doing whatever it takes to give children a healthy start in life, and the opportunity to learn and protection from harm. In 2020 alone, STC reached more than 197 million children, including 1.1 million here in America. As the world's leading expert on childhood, we believe that every child deserves a future.
