

Help the American Civil Liberties Union (ACLU) defend our rights, freedoms, and democracy by airing their PSA, **America the Beautiful**.

For over 100 years, the ACLU has fought on behalf of all Americans, working in the courts, legislatures and communities to defend and preserve the individual rights and liberties that the Constitution guarantees to everyone in this country.

This new PSA, **America the Beautiful**, demonstrates that these fundamental rights make our country what it is, and are worth fighting for. By airing this PSA, you can help educate your community on the essential work, and issues, that the ACLU does on behalf of your viewers.
